PROFESSIONAL SUMMARY

Information Science and Engineering student with a strong foundation in frontend development and practical exposure to full-stack web development through academic projects and internship experience. Passionate about building user-focused web applications, working with JavaScript and React.js, and developing practical software solutions.

EDUCATION

Bachelor of Engineering – Information Science & Engineering	2023 – Present
Mangalore Institute of Technology and Engineering	CGPA: 9.29
Senior Secondary (12th)	2023
Government PU College, Bailur, Udupi Board: KSEAB	Percentage: 93.5%
Secondary School (SSLC)	2021
Government PU College, Bailur, Udupi Board: KSEEB	Percentage: 96.32%

INTERNSHIP EXPERIENCE

InnoByte Services	November 2025
<i>Full Stack Developer Intern</i>	
Developed a Blog API project using RESTful architecture and implemented CRUD operations for efficient data handling. Gained practical exposure to backend development, debugging, and code optimization while improving problem-solving skills and teamwork.	

TECHNICAL SKILLS

Programming:	C, Java
Web Development:	HTML, CSS, JavaScript, React.js
Database:	SQL, MongoDB
Tools:	Visual Studio Code, Eclipse IDE, PyCharm, Code::Blocks, Jupyter Notebook
Office:	MS PowerPoint, MS Word, MS Excel

PROJECTS

CareerCore – Placement Intelligence Platform	Group of 4
<i>Technologies: React.js, Node.js, MongoDB, Python (ML), REST APIs, JWT</i>	
Developed an AI-driven placement intelligence platform using React.js, Node.js, MongoDB, Python (ML), REST APIs, and JWT to connect students, faculty, and recruiters in a unified system. Features include Placement Readiness Score, personalized roadmap engine, skill gap analysis, digital portfolio builder with faculty verification, and faculty dashboards.	
QuizMaster – Web-Based Quiz Application	Individual Project
<i>Technologies: React.js, HTML, CSS, JavaScript</i>	
Developed an interactive web-based quiz application using React.js, HTML, CSS, and JavaScript for category-based quizzes and self-assessment. Implemented validated authentication, randomized questions, multiple categories, and an interactive quiz experience.	

COURSES & ACHIEVEMENTS

- Certified in Crash Course on Java – Coursera
- NPTEL Certification – DATA MINING – IIT Kharagpur, 2026
- Hands-on Experience on Arduino UNO Workshop – MITE, May 2025
- Generative AI Workshop – GrowthSchool, April 2026
- Tata Imagination Challenge – Tata Group, 2025
